“I have never had a salt and vinegar chip that even comes close to how amazing yours are. Can’t wait to try the other flavors but you had me at red wine vinegar.”

“Seriously good chips that give you flavors different from the big brands. Definitely worth a little extra for a huge jump in quality.”

“I just had these for the first time. Had the Touch of Smoke flavor and I’m hooked! Best chips I’ve ever had!”

“...Best kettle chips ever! Not at all oily, gently salted and perfectly crunchy.”
