Elmwood Stock Farm

ABOUT

Elmwood Stock Farm is a 6th generation family farm. Farmers Mac and Ann Stone, and Ann's brother John Bell share the work load with a great support team, and all work together to produce fresh, high quality items.

Elmwood Stock Farm is committed to healthy and wholesome production of superior, high-quality, fresh farm products. Organic certification and close family involvement ensure that safe and sustainable farming practices are followed, while crops and livestock are well cared for.
