

**What Chefs Want!®**

**Bluefin Seafoods™**

***Blue Seafood Tote Procedure:***

**1. When bringing in blue seafood tote, ask the chef for a storage bin.**

**2. Put the tote next to the chef's container.**

**3. Carefully pick the liner up with two hands.**

**4. Transfer the seafood to the other container.**

**5. Do your item check off.**

**6. Place the container in their cooler.**

**7. Bring back the blue tote.**

**8. Peel off labels.**

If you are unable to obtain a bin for the fish, leave the blue tub behind with the customer and pick it up with next delivery.
