

GOURMET

What Chefs Want - where culinary excellence meets the freshest bounty from around the globe. As a premier supplier of both local and global produce, we take immense pride in offering over 600 produce items, from the everyday to the exotic. Our unwavering commitment to food safety is reflected in our rigorous adherence to the highest standards set by the Kentucky Department of Agriculture, FDA, Certification for Good Handling Practices, and Good Agricultural Practices. We are honored to be a valued member of the Produce Alliance, the world's largest produce buying group, enabling us to curate the finest and most diverse selection of fruits and vegetables for your establishment.
