HIGHLIGHTS FOR THE WEEK

JOHN'S CRYSTAL BALL

our local produce purchaser predicts what's next

South Georgia strawberries are 2-3 weeks out pending these ice events forecasted in the coming days.

GA Blueberries will start the first of March.

Greens should move back to GA middle to late Feb as temps moderate.

Look for additional products coming soon from **Rock House Creamery**, **Better Fresh Farms**, **Kabobs**, **Hedgehog Mushrooms**, **Miles Berry Farm**, and **Burton Brambles Berry Farm**.

Baby Vidalias are being harvested weekly in the Vidalia Belt. Enjoy creating dishes with these local beauties until Mid-April.

A few exciting seasonal favorites below, and check these out, too:

- **more seasonal specialties** from smaller farms - p. 2
- **commodities currently filled from local sources** - pp. 3-5
- **local sprouts, microgreens, and edible flowers** - pp. 6-7
