## Proud to Be Grown Here!

We are happy to be active members of Georgia Grown, Sweet Grown Alabama, Fresh from Florida, and to participate in other agriculture marketing and local food promotion programs regionally.

[georgiagrown.com](http://georgiagrown.com)

Georgia Grown is official state branding program of the Georgia Department of Agriculture. It helps new agribusinesses grow and established agribusinesses thrive by bringing producers, processors, suppliers, distributors, retailers, agritourism and consumers together in one powerful, statewide community.

Food and Beverage Accelerator

[gtfba.innovate.gatech.edu](http://gtfba.innovate.gatech.edu)

GT.FBA is a launchpad for passionate food and beverage creators across Georgia, offering a structured pathway and invaluable resources to convert their visions into marketable realities.

*Last year, GT.FBA did an event together where WCW talked with more than 10 farmers and food makers, providing advice and guidance.*

## Local Food Connection Vendors

## Farmers Produce. Chefs Create. We Connect.

Creating a system that works for those at both ends - local food producers and buyers.

What Chefs Want's Local Food Connection program is the foremost distribution solution for those who want to know where their food comes from—and to share the stories behind it.

- 1 **Open Cut+Dry**, our ordering platform. <https://whatchefswant.cutanddry.com>

- 2 On the left side of the catalog, under **"Browse Catalog,"** you will see a filter category for **"Region."** Check the boxes next to the **states** you want to include in your local search.

- 3 For local produce, you can go to the **"Local Produce"** section under **"Browse Catalog"** or click the banner on the main page of Cut+Dry.
