ORDER NOW!

HIGHLIGHTS FOR THE WEEK

ANNA'S CRYSTAL BALL

what our local produce purchaser predicts

We've got **KY mint** from **Nelson Family Agriculture** in **New Hope, KY**, for your **Derby Day juleps**. And we also now have **KY field-grown strawberries** coming in from **Cornett Farm Fresh** in **London, KY**, well in time for **Mother's Day** and **any other spring celebrations**. Check those out below and on p. 2, alongside some of my other top picks for seasonal specialties.

And in case you missed my big updated outlook last week, a recap:

- **Cilantro and parsley** are on a short hold.
- **Off-the cob frozen corn** is also sold out until around August (next batch).
- **Rhubarb** is having a difficult season, but we hope for **SOME** in 5 lb boxes.
- **Leafy greens** (more kales, mustard greens, and lettuces!) will continue to increase.
- **Hot-house tomatoes** are about a month out, with **red slicers** first and then **heirlooms** starting end of May.

For more of **what's available right now**, check out:

- **seasonal specialties** from smaller farms - pp. 2-4
- local **sprouts, microgreens, and edible flowers** - pp. 5-9
