HIGHLIGHTS FOR THE WEEK

ANNA'S CRYSTAL BALL

what our local produce purchaser predicts

As the weather grows cooler this week, we are starting to see some of the crops change and/or go into high tunnels and greenhouses.

One exciting addition to the season is a local favorite - **#34010 - KY Greenhouse Strawberries from Bosch Berries in Somerset, KY**. Branded "**Southern Sweeties**," these little gems are around from this time of year until approximately June. At least for me, their bright color and sweetness helps to warm up the cool fall air and skies.

Speaking of color, don't forget the fall ornamentals we have, from **decorative gourds (#20637)** to **pie pumpkins (#24262)** to stunning **blue hubbards (#21479)**.

More available, as always, on **our Local Produce list on Cut + Dry**.

Find **my local picks for right now** below, then check out:

- **more seasonal specialties** from smaller farms - pp. 2-5
- **local sprouts, microgreens, and edible flowers** - pp. 6-10
