HIGHLIGHTS FOR THE WEEK

ANNA'S CRYSTAL BALL

what our local produce purchaser predicts

September is here!

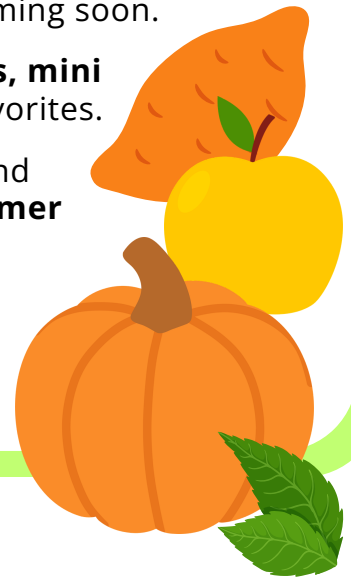

We've added **pie pumpkins** and **yellow Kentucky apples** to our list, with more fall specialties coming soon.

In upcoming lists, look for **Ginger Gold and Honeycrisp apples, mini pumpkins, large pumpkins, decorative gourds**, and other favorites.

Summer heat means that **tomatoes, watermelon, peppers**, and more are still juicy and flavorful - this crystal ball says **our summer bounty won't leave until October!**

Find **my local picks for right now** below, then check out:

- **more seasonal specialties** from smaller farms - pp. 2-5
- **local sprouts, microgreens, and edible flowers** - pp. 6-10
