HIGHLIGHTS FOR THE WEEK

JOHN'S CRYSTAL BALL

our local produce purchaser predicts what's next

Satsumas from **Corbett Brothers** are here. **Georgia** citrus.

Peppers, squash, and cucumbers are coming from **Georgia** right now.

Watermelons are back in **Florida** for a bit before they gap.

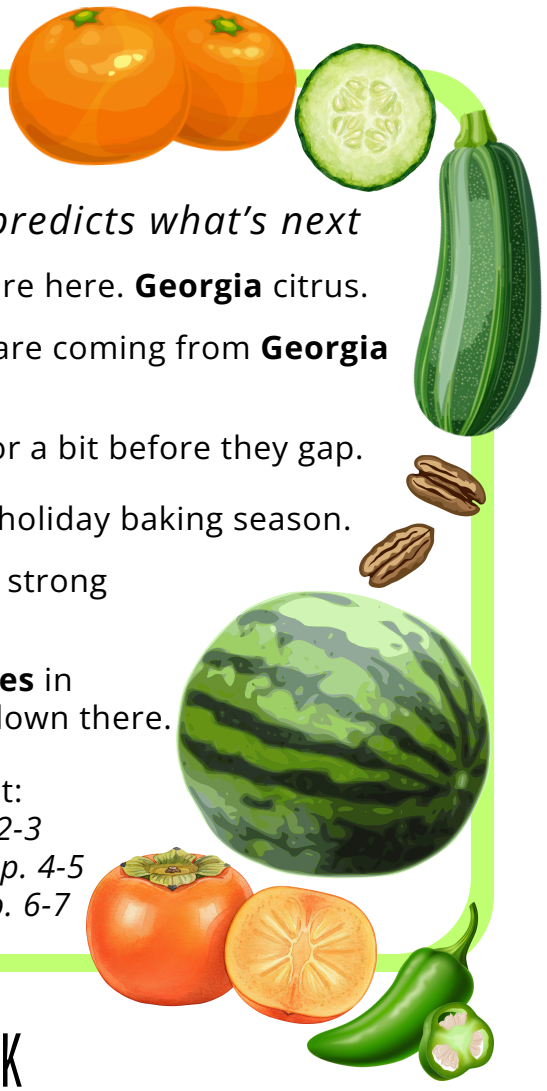

Georgia's pecan harvest is wrapping up just in time for holiday baking season.

Georgia persimmons from **Miles Berry Farm** are going strong and supply looks good for several more weeks.

Should see some **FL juicing oranges and FL strawberries** in the next couple of weeks. Navigating some heavy rains down there.

Find those new seasonal, local picks below and check out:

- more **seasonal specialties** from smaller farms - *pp. 2-3*
- **commodities** currently **filled from local sources** - *pp. 4-5*
- local **sprouts, microgreens, and edible flowers** - *pp. 6-7*
